## Celebrate Newport's Waterfront Public Access

Friends of the Waterfront and the City of Newport  
Free Concerts This Summer ~ At the Gazebo in King Park

The NEW waterfront music series made possible by the generous support of the Isham Family

To complement the NEW King Park music series, URI Master Gardeners  
will be at the Pavilion to offer Free gardening discussions preceding the music.

These chats are designed to help educate the public on best science based practices  
for sustainable waterfront gardening.
